

Challenges of Politics and Democracy in a Digital Era

Palacio de Minería, April 4-5, 2019

Gustavo Arias

Investigative and data journalist at Costa Rica's newspaper La Nación. He is the manager of the fake news detection project #NoComaCuento [#ShrugOffTheCanard], and the blog on international topics En Contexto [In Context]. Arias is experienced in the elaboration of texts for diverse publics; social media; digital marketing; social networks; radio production; databases' analysis; and, information checking. He holds a master's degree in International Relations and Diplomacy—with an emphasis in Foreign Policy—from Costa Rica's National University. He contributed to Spain's journal Expansión; and was digital contents' editor at the Central American Estrategia & Negocios [Strategy & Business] Review.
