

## Osama Aljaber

Political Engagement and Youth Participation consultant at UNDP Regional Hub of Arab States, where he works on the implementation of activities with the Regional Electoral Support Project to enhance democracy in the Arab Region, as well as, promoting youth civic and political participation in the Arab Region. He has four years of professional experience in coordinating and assisting—which entails networking, advocacy, campaigning, capacity building—Human Rights-based programs on development, civic engagement, and political participation of refugees- and host-communities for youth and civil society organizations in Jordan and the MENA region. He has established and led international and regional youth networks. Aljaber specialised in technology for development, meaning he uses technology as a bridge for dialogue and to improve the advancement of development projects.
